MONTANA VETERANS MEMORIAL

The dream to build a memorial to honor the veterans of our local area is becoming a reality. No other memorial exists in North Central Montana that honors the men and women veterans of all services, including those of the National Guard, Reserves, Coast Guard and Merchant Marine. A portion of the memorial will be dedicated to those Montana veterans who have been awarded the Congressional Medal of Honor. For a donation to the memorial, commemorative titles displaying veterans names and their branch of the military will be available to the family and friends of veterans. The Montana Veterans Memorial will show the appreciation that our community has for the many proud Montanans that have served their country in uniform, often paying the ultimate sacrifice in the defense of their country.

Let Freedom Ring!
