Dear, pam schindler,

I am Lana Wagner of the 7th grade of De La Salle Blackfeet school. We would like to thank you for letting the kids that didn't get to speak put their name in the record of speakers. We at De La Salle are grateful to you. I hope you have a good year there and I hope you have a good life. you will be remembered by every De La Salle student for what you did for us.

your friend,
