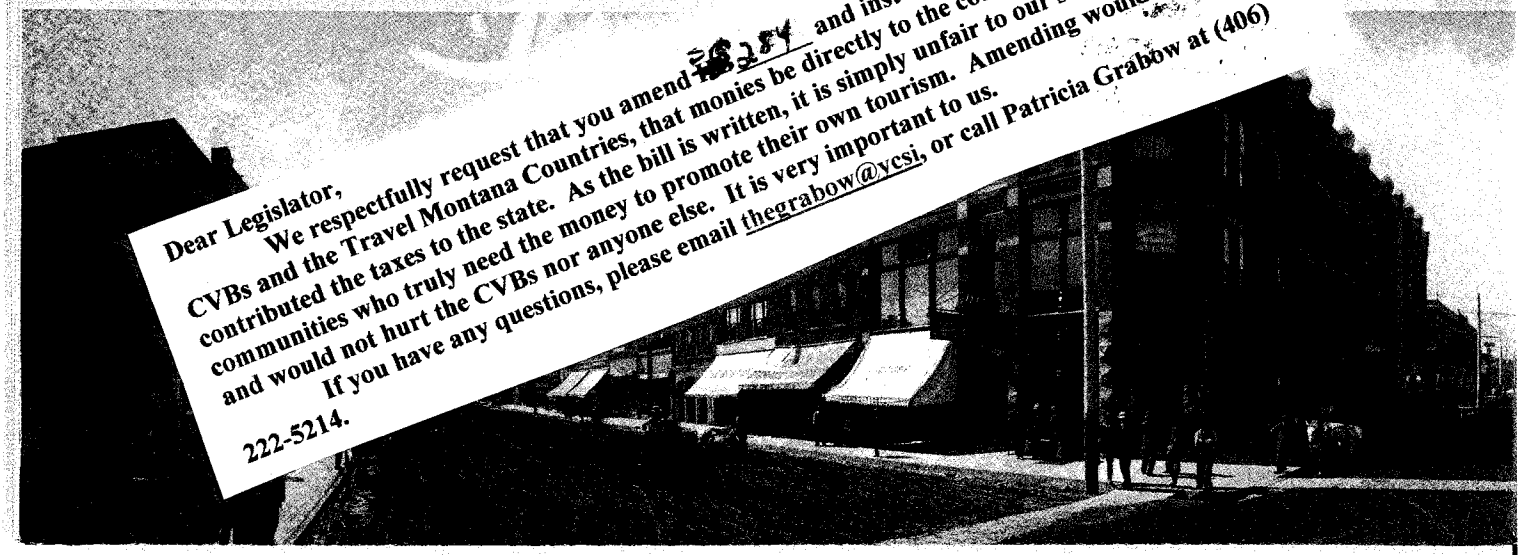
LIVINGSTON MONTA

THE ORIGINAL ENTRANCE TO YELLOWSTO

EXHIBIT 5
DATE 4.30
SB 284



Dear Legislator,

We respectfully request that you amend SB 284 and instead of returning moneys to the CVBs and the Travel Montana Countries, that monies be directly to the communities that have contributed the taxes to the state. As the bill is written, it is simply unfair to our smaller communities who truly need the money to promote their own tourism. Amending would only help us and would not hurt the CVBs nor anyone else. It is very important to us.

If you have any questions, please email thegrabow@ycsi, or call Patricia Grabow at (406) 222-5214.
