ROY, Mich. – As of Sept. 30, *Pensions & In-tments* estimates the employee benefit as-s of Delphi Corp. totaled $14.4 billion. The es-ate is based on the $9.7 billion in defined efit assets reported as of Dec. 31, 2005 in the npany's annual report, and previous estimates he defined contribution assets.

During the past year, the fund froze its de-ed benefit plans for both its hourly and laried employees in the United States and re-aced them with defined contribution plans. Del-i officials made the changes, as part of the mpany's "transformation plan" to emerge from hapter 11 bankruptcy protection and avoid ter-
