Comparison of Sexual Offender Legislation

Bill	Juvenile Sentencing	Sentencing	Registration Provisions	Treatment Provisions
SB 156	Mandatory minimums would not apply to offenders under 18 years of age.	Mandatory minimum sentence of 25 years for the following crimes when victim is 12 years old or younger: • Sexual intercourse without consent; • Sexual abuse of children.	• Post photographs for all registered sex offenders; • Amend the definition of sexually violent predator (Level 3) to include offenders who commit a sex offense against a victim under 12; • Create registration provisions for homeless offenders; • Clarify the registration provisions for juvenile offenders; • Require in-person verification of registration information and more frequent photographs of offenders; • Require a sex offender convicted of failure to register to submit to a psycho-sexual evaluation; • Extend minimum registration for a Level 2 offender to 25 years; and • Strengthen community notification provisions.	Treatment options left to the discretion of DOC.
SB 373	Mandatory minimums could apply to offenders under 18, if charged as an adult and offender was 7 or more years older than victim.	Mandatory minimum sentence of 25 years for the following crimes when victim is 12 years old or younger ***and*** offender is designated as a Level 3 offender: • Sexual intercourse without consent; • Sexual abuse of children. Require a sentence greater than 10 years for a Level 1 or Level 2 sex offender be suspended.		DOC may place Level 1 and Level 2 offenders in a residential sex offender treatment program in a setting approved by DOC. If the offender successfully completes the program, the remainder of the sentence must be served on probation.
